

ChurchGeniusPro

Modern, AI-Integrated Church Management Software

The all-in-one platform Malayalee Pentecostal families will love.

Members · Giving · Events · Accounting · Ministry — in one place.

Everything your church needs — beautifully simple, smart, and secure.

● Members & Family Directory

Profiles, families, groups, and a searchable member portal.

● Online Giving & Pledges

Contributions, pledge campaigns, and year-end tax statements.

● Event Registration & QR Check-In

Public RSVP links, live attendance, and self check-in.

● Accounting & Bank Sync

Income, expense, reports, and automatic bank imports (Plaid).

● Sunday School & Kids Ministry

Secure children check-in and safeguarding controls.

● Worship & Groups Planning

Organize teams, songs, ministries, and volunteers.

● Email, SMS & WhatsApp

Reach your congregation instantly across every channel.

● AI Voice, Search & Scanning

Speak commands, search naturally, auto-scan checks & statements.

Powered by AI — do more in less time

Voice commands · smart natural-language search · automatic check & bank-statement scanning

Works on web & mobile · Secure & private · Built for growing congregations

● Save hours every week

● Delight your members

● Stay organized & compliant
